How to access the server?

Go to: https://jupyter.cs.wit.edu/

You should see the login screen:

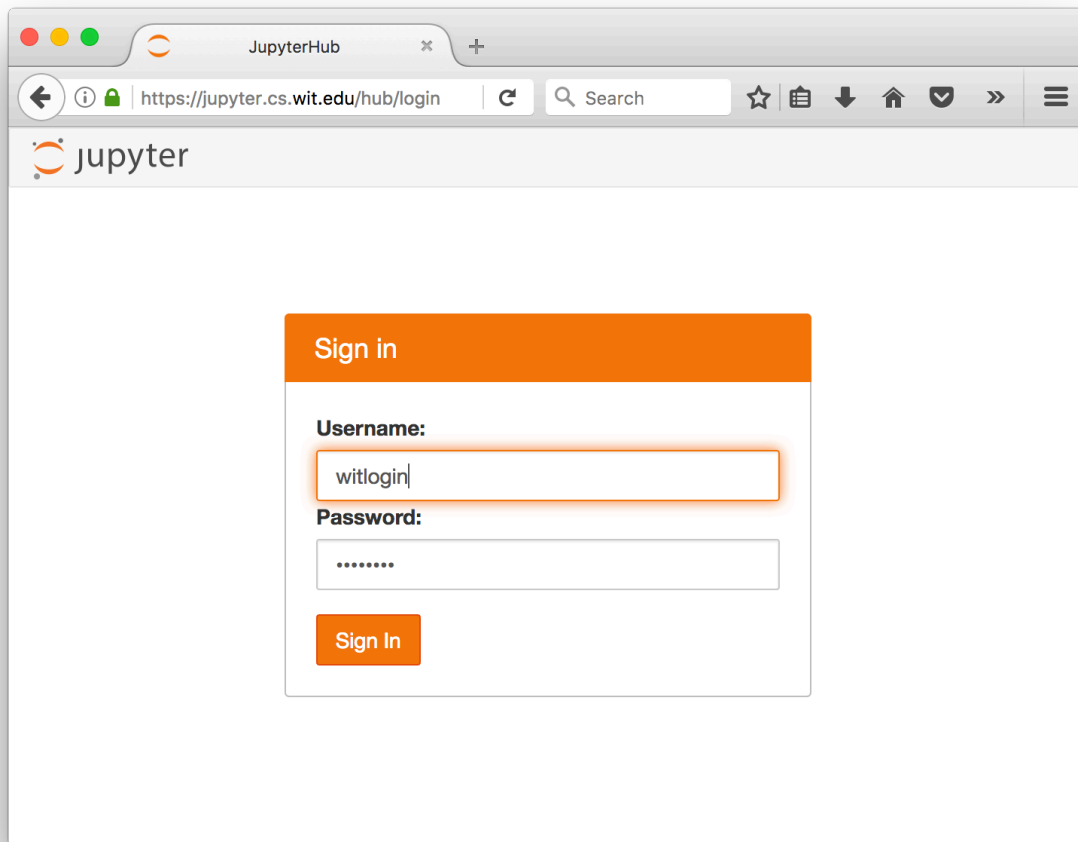

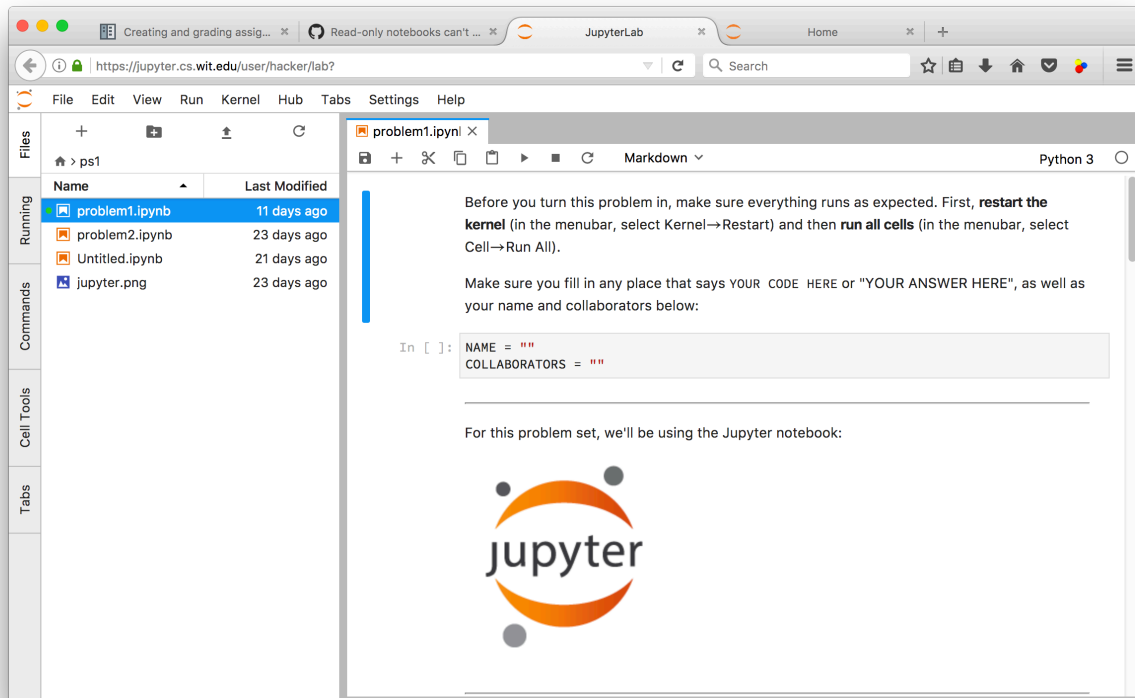

Login using your WIT email/username.
If your email is: lastnamef@wit.edu, your jupyter login is: lastnamef

Your default password is: welcome1

How to access the lectures?
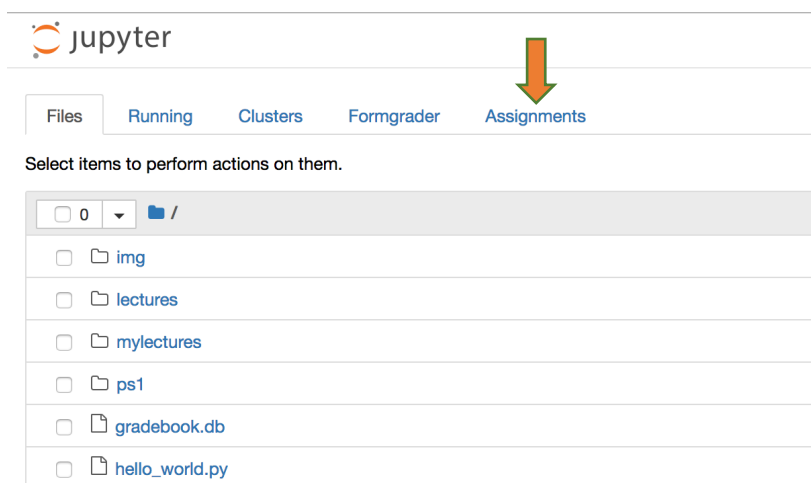

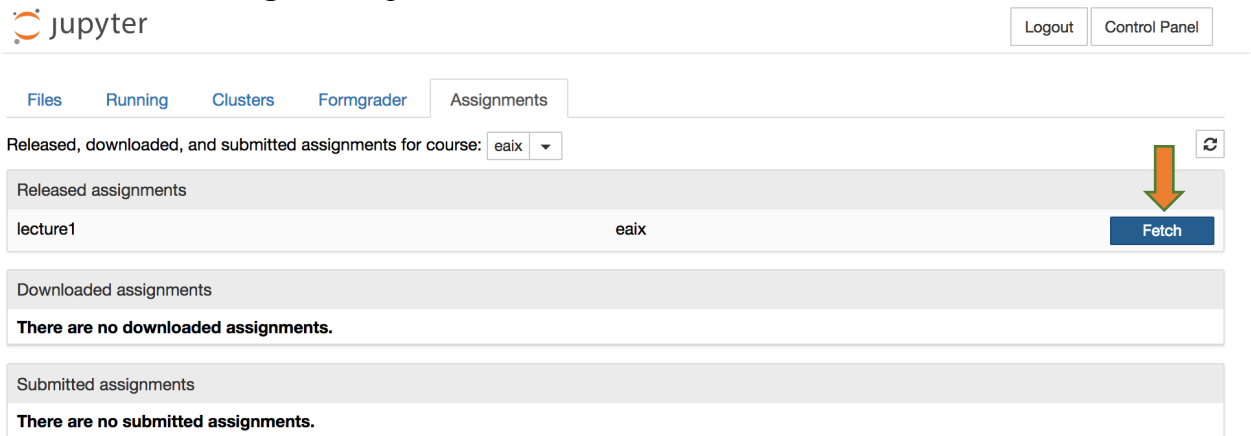

1. Login to https://jupyter.cs.wit.edu/

Let's grab a lecture!

2. Select **Help -> Launch Classic Notebook**
3. Select **Assignments** tab from the top

4. In the **Released assignments** pane, click **Fetch** to download the first lecture

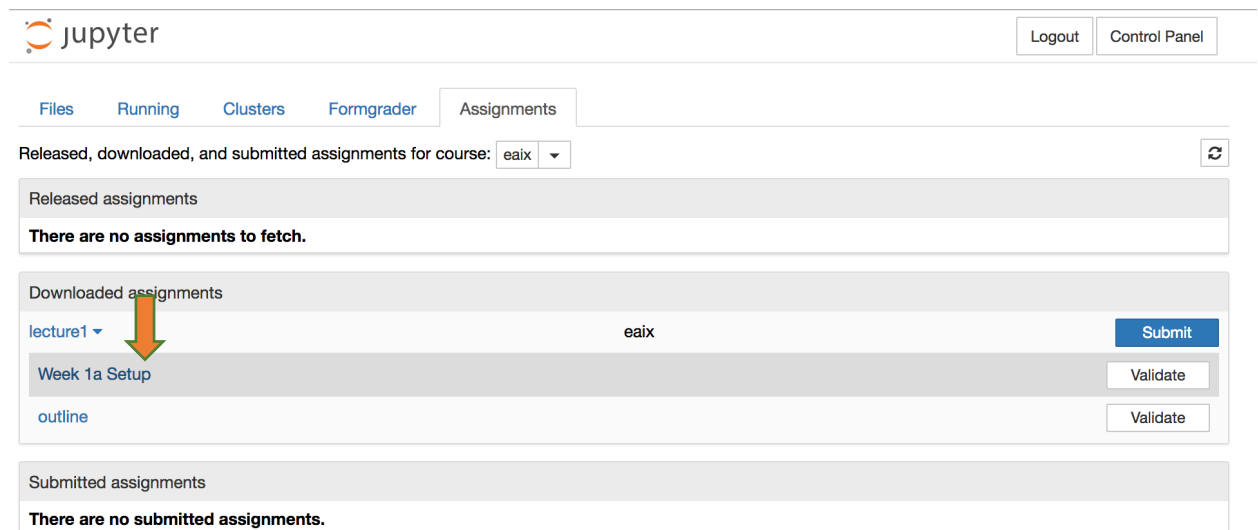

5. Click **lecture1** to extend the assignment folder

6. You should now see the notebooks!
   Click Week 1a Setup to launch our first notebook.

7. If you browse to **Files** tab, you should see your own copy of the **lecture1** folder.
